SAN JOSE STATE COLLEGE

Vol. 41 SAN JOSE, CALIF., TUESDAY, FEB. 24, 1953 No. 96

Junior Prom Date Set for March 28

The Junior Prom will be the first big social event of Spring quarter as a result of the date change to March 28 in yesterday's Junior class council meeting.

Setting for the Prom, entitled "Once In a Lifetime," has been changed to the Peninsula Country club in San Mateo. It had been scheduled for the Cal Country club but date conflicts necessitated the change, according to Deo Jukich, dance chairman.

The council approved Jerry Ball's plan for a twofold publicity campaign and approved May 8 as the date for the Junior-Sophomore mixer.

Senior Class

The Senior class council yesterday announced that approximately 150 tickets for the Senior Banquet will go on sale to senior students Mar. 2-6. The banquet will be held at the Empire room in the Sainte Claire hotel Mar. 12 at 7 p.m.

At the meeting the council also appointed a committee to investigate the possibilities of holding a senior over-night, and postponed to a later meeting any action on Representative-at-large Jerry Ball's suggestion to hold an inter-council meeting very third Monday to synchronize student body activities.

Sophomore Class

The Sophomore council yesterday adopted an amended version of Representative-at-large Jerry Ball's proposal for unified meetings of all class councils.

In the amendment, the sophomores suggested that the combined meetings be held less frequently and only for pertinent business of importance to all councils. Because of limited time, frequent meetings would interfere with regular class duties, the council decided.

Freshman Class

Conflicting opinions on the value of unified monthly class council meetings were expressed at the Freshman class council meeting yesterday after discussion of the Frosh-Soph mixer.

President Bill Kennedy, Carol Kennedy, and other council members thought that it would be a good way in which to coordinate council activities. Joyce Brady said that it may cut into the time devoted to individual council meetings.

Freshmen interested in entertaining at the mixer were urged to attend a meeting at 3:30 p.m. today in the Student Union. It was announced that workers are needed to put up decorations in the Student Union at 4 p.m. Wednesday for the mixer.

Forensics Students In Debate Tonight

College forensics students will meet students from the University of California and San Francisco State college in two debates tonight.

Kappa Kappa Gamma and Sigma Chi are sponsoring the debates at their houses. Both will take place at 7:30 o'clock. The public will be invited.

The topic will be, "Resolved: That the Congress of the United States should enact a compulsory fair employment practice law."

At the Kappa Kappa Gamma sorority house, 148 S. 11th street, Luther Clark and Richard Breen will argue the affirmative.

Bill Tyler and Gary Park will hold up the negative side at the Sigma Chi fraternity house, 241 S. 11th street.

The debate will serve as practice for the Pepperdine forensics meet in March. The college group met Cal and SFS earlier this year in non-decision debates.

Student Court Group To Meet

Representatives of the student-faculty Student Court reorganization committee will meet with the Deans' committee this afternoon to discuss proposals for strengthening the court.

A preliminary meeting was held Friday afternoon, at which time the deans, headed by Dean Joe H. West, read the report of the reorganization committee.

Dean West reported a favorable reaction to most of the proposals, but indicated that a few rough spots need more discussion.

Game Tickets Sale

Tickets for the San Jose-Santa Clara basketball game tonight will be sold until 5 p.m. in the Graduate Manager's office, Room 16.

Tickets are 50 cents each with a student body or faculty card.

Legislation Against Reds Completed in Georgia

ATLANTA (UP) — Legislation was completed and sent to Governor Herman Talmadge yesterday outlawing subversive organizations including the Communist party in Georgia.

Members of such groups would be subject to imprisonment of up to 20 years, a \$2,000 fine or both.

Iran Dispute

TEHRAN, Iran (UP) — A serious dispute between Premier Mohammed Mossadegh and the Shah complicated Iran's political situation last night at a critical moment in negotiations to settle the Anglo-Iranian oil dispute.

Parliament met in emergency session to discuss the dispute between Mossadegh and Shah Mo-

ammed Reza Pahlavi over the ailing premier's refusal to approve a \$1,800,000 royal budget.

3,500 Flee East Berlin

BERLIN (UP) — More than 3,500 East Germans, defying new Communist orders to "shoot to kill" persons attempting to escape from the Soviet Zone of Germany, sought safety in West Berlin yesterday.

Dulles Seeks Help

WASHINGTON (UP) — Secretary of State John Foster Dulles yesterday asked Robert L. Johnson, president of Temple university, to become chief of the International Information program, which includes the Voice of America.

EXERCISING THEIR vocal chords for the annual A Cappella concert tonight are Dan Knowles, Gene Sterling, Alyce Holland, Rita Marchoke and Dor-
een Farr. The concert will feature classic and contemporary sacred music. It is free, open to the public, and begins at 8:15 p.m. in Morris Dailey auditorium.
—photo by Parker

Choir To Present Concert Tonight

The 70-voice college A Cappella choir will present its annual concert of sacred music tonight in Morris Dailey auditorium. They will be directed by William J. Erlendson, associate professor of music.

The program, which is free and open to the public, will begin at 8:15 p.m. In past years the concerts have been well-attended.

An audience of nearly 500 applauded the choir's program Sunday night at the First Congregational church in Santa Cruz. As an encore the group sang "Geistliches Wiegenlied," by Kranz.

Members of the church said that they would like to make the college concert an annual affair, Mr. Erlendson revealed. A dinner was served to the choir members at the church prior to the concert.

Local high school choirs have reserved box seats for tonight's concert, as is their custom, according to Mr. Erlendson.

Seven religious pieces, both classic and contemporary, are included in the program. "The Peaceable Kingdom," by the contemporary American composer, Randall Thompson, is the featured number.

The program will open with "Come, Jesu, Come!" by Bach. "Sicut Cervus," by Palestrina, and "Crucifixus," by Lotti, will complete the first part of the program.

Thompson's composition will open the second half of the program and will be followed by "Prayer to the Father of Heaven," by Vaughn Williams; "Brazilian Psalm," by Berger, and "The Three Kings," by Willan.

Faculty Receives Good News With a 5 Per Cent Pay Boost

The State Department of Finance has approved a five percent salary increase for the college faculty, according to William J. Erlendson, faculty member and president of the college chapter of the California State Employees association.

The pay increase is retroactive to Sept. 1, 1952. However, the arrival date of the first check is not yet known, according to Glen Guttormsen, accounting officer, as

Language-Arts Discussion Set

"Promising Practices in the Language Arts" will be discussed by more than 200 English teachers at the regional conference of the California Association of Teachers of English to be held on campus Saturday.

The English teachers will represent high schools from San Luis Obispo to San Mateo through the central coastal counties.

Members of the association will register in Morris Dailey auditorium at 9:45 a.m. Between 10:30 a.m. and noon, seven sections will meet to discuss various topics of the main theme.

Luncheon is to be held in the Catholic Women's center. Dr. Walter Loban, associate professor of education at the University of California, will be guest speaker. His subject will be, "Power over Language for Child, Youth and Adult."

Six sections dealing mainly with audio-visual aids will meet in the afternoon.

Data Available For Graduates

To clarify the graduation procedure for seniors, the Registrar's office released the following information yesterday.

Seniors, other than education majors, first should file their major-minor sheets in the Registrar's office after obtaining approval of the necessary dean.

They then should make appointments in the Registrar's office to apply for graduation. At the time of the interview, the senior will be given a list of times to pay fees, and will receive information on other procedures.

Students applying now for graduation in March will be allowed to graduate, but will not be able to obtain their diplomas at the time of graduation.

Seniors who plan to graduate in June should start the graduation procedure as soon as possible. The \$15 graduation fee for June graduates should be paid by May 15.

Male Lurks Under Police School Desk

The police school has a new student. He doesn't have a name, but sometimes he is referred to as "Blackie." He doesn't attend classes, but on the other hand, he doesn't receive blue cards.

"Blackie" is a stray dog who makes his home under the police school secretary's desk. Truly, he has found a home in the corps.

Students Plan Trip to Agnew

Approximately 50 members of the abnormal psychology class will visit Agnew State hospital this afternoon in their quarterly field trip.

A member of the hospital staff will conduct a clinic for the visitors by interviewing various patients.

Dr. Richard W. Kilby, assistant professor of psychology, is in charge of the trip.

Basketball Is Here To Stay

The large and enthusiastic crowd at Friday's game with USF should dispel any fears Coach Walt McPherson may have had about the future of basketball on Washington Square.

In the opinion of some, notably a rather pessimistic San Francisco sportscaster, basketball in the Bay Area will die if more fans don't turn out for the games. Apparently, however, it is hanging on pretty well here.

The appearance of a yell leader added considerably to the color of the occasion Friday night, and the ever-reliable band did its usual good job. It is to be hoped that a yell leader will be present at every game from now on, and that the band will continue to enliven the gym with its music.

Tonight the Spartans meet Santa Clara in the Civic auditorium. It is an important game to both the Broncos and the Golden Raiders and to see it should be well worth the trip downtown.

Fun-Fraught Fashion Fantasy Features Feminine Finalists

Mrs. Courtney Brooks, assistant professor of speech, will be guest narrator at the Gamma Alpha Chi spring fashion preview Thursday evening at the DeAnza hotel.

A full program of fashions and entertainment is being planned by the campus advertising sorority. The Delta Gamma quartet will entertain in barbershop style.

Eighteen coeds from GAX and campus social sororities will model in Fashion Fantasy. A series of 42 spring costumes will be shown. The frocks exhibited are from San Jose apparel shops.

A fashion store will donate a gift for the girl selected best-dressed coed at the college. Each person attending the show will receive a plastic sweater bag.

The most fashion-wise coed will be selected from three women trying for the title. They are Bev Allman, Sylvia Bachler and Bea Billing.

Tickets for Fashion Fantasy, which will begin at 8 p.m., may be obtained from any GAX member, or at the advertising department in the Spartan Daily office.

Tickets for Fashion Fantasy, which will begin at 8 p.m., may be obtained from any GAX member, or at the advertising department in the Spartan Daily office.

Air Force Officer Will Speak To AFROTC Students Here

To stimulate flying training interest among graduates, First Lt. Curtis E. Ash will conduct informal talks with advanced students of the AFROTC on Thursday and Friday.

According to an Air Force bulletin, Lt. Ash is one of 18 Korean

Air War veteran pilots currently visiting colleges throughout the United States, Hawaii and Puerto Rico.

Lt. Ash attended San Jose State college in 1946 as an accounting major. He was recalled to active service from the Air Force reserve in February, 1951.

During his talk at the college, he will tell of his experiences in flight training and describe his present duties. All veterans on the speaking tour are primarily jet fighter pilots who have flown every plane the United States has in Korea except the B-29.

Subjects to be covered in the informal meeting include status as a student officer, advantages of an Air Force career, and other related subjects designed to increase interest in flying.

Office Lists Job for Couple

A married couple is needed for light housekeeping in exchange for board and room and \$50-a-month salary in a modern Santa Clara home, according to the Placement office.

Weekends and holidays will be free. The home is five minutes walking distance from the bus line. The use of a private car is provided to a responsible person, Mrs. Nancy Diez, part-time placement secretary, said.

Applications should be made in the Placement office, Room 100.

Home Ec Head Back from L.A.

Dr. Margaret Jones, Home Economics department head, has returned from a National Education association meeting in Los Angeles.

The meeting was held with the National Association of Secondary School Principals.

Topics discussed were homemaking education in California, homemaking education in high schools, and new foods and demonstration techniques.

Bronco Hopes for League Tie Rest on Tonight's Tilt

By BOB SMITH

Sigma Pi Nips DSP to Stay In First Place

Sigma Pi donned Delta Sigma Phi, 33-27, to knock the DSP's out of first place contention in the fraternity division of the intramural basketball league last night in the Men's gym.

The losers led until the final four minutes but cooled off as Sigma Pi came from behind to win the contest. Bill Tunnell paced the winners with 13 points. Sigma Pi, SAE, Theta Chi, and DU are all tied for first place.

Sigma Nu fought off a last half flurry by Kappa Tau and eked out a narrow, 57-53, win last night. Other scores were not turned in.

Gymnasts Bow To Stanford In First Meet

Coach Hugh Mumby's gymnastics team dropped its first meet of the season Friday night to the Stanford Indians, 48-30.

Irv Faria, Spartan ace, scored 20 points. He won first places in the rope climb, free exercise and parallel bars. He captured second honors in the high bar, and third places on the side horse and the rings.

Other point winners for SJS were Ed Jung and Bob Peavy. The latter finished second in the tumbling competition and third on the trampoline. Jung was third in the free exercise.

The Spartans will travel to San Francisco tomorrow night to meet the Olympic club gymnasts.

Outshoot Ohio

San Jose State's pistol team received word yesterday from Ohio State university that SJS won the recent shoot between the two schools, 1251-1228.

The Spartan squad has fired nine matches to date, and has received results of six of which four were won.

The match was fired on Feb. 12.

Looking forward to making their last CBA appearance for the year a winning one, the Spartan basketball team faces Santa Clara's Broncos tonight at the Civic auditorium at 8:15 o'clock.

The Raiders have won four consecutive conference games and, if they win tonight, could replace the Broncos in second place.

The teams have met twice this season, with the Broncos victorious on both occasions. But the Spartans, fresh from their surprise win over the leading USF Dons, hope to take their ninth decision in eleven starts.

The Broncos, on the other hand, have more at stake in tonight's contest. A win tonight and victory over the Dons on Friday would just about clinch an NCAA tournament bid for Bob Feerick's boys.

Late records of the two teams are almost identical. The cross-town rivals have won five straight and both have eight wins in their last ten games. The Broncos have lost only three of their last 16 contests.

As for the CBA championship, the Raiders hold the spotlight for the Broncos. If State wins tonight, USF is the CBA winner. If the Broncos win, then the best they can do is tie for first place, even with a triumph over the Dons.

Coach Walt McPherson is expected to start his regular five of Dick Brady and Don Edwards, forwards, Fred Niemann at center, and Carroll Williams and Lee Jensen, guards.

Brady has been performing consistently of late. Edwards is one of the Spartans' outstanding rebound men, and started the ball

Hoop Captains Named

Forward Don Edwards from San Jose and Guard Lee Jensen from Martinez were elected co-captains for the 1952-53 basketball season at an ice cream party held last night at the home of Walt McPherson, varsity basketball coach.

Members of both the varsity and freshman hoop squads were present and named their leaders for the season. Allan Hood, a forward from San Francisco, was selected captain of Bob Wuesthoff's Spartababe cagers.

rolling against USF in the first quarter. Niemann is the squad's second high-scorer, and is a smooth working pivot man.

Sparta's guards could be the difference against the Broncos.

Jensen, although held pointless by the Dons, still is SJS's best scoring threat. The 6'4" senior has tallied 269 points in 22 games. Williams is Jensen's running mate and possibly the best play-maker on the squad.

McPherson will have good replacements ready at all positions. Bill Abbott will be ready to see action at forward, and Newt Hodgson may relieve Niemann at center. Dick "Swish" Schwendinger can be used at guard.

Feerick probably will start Jim Young and Ken Sears at forward. Herb Schoenstein at center, and Dick Garibaldi and Dick Soares at guards.

The Spartababes will meet the Santa Clara Colts in the preliminary contest at 6:30 o'clock.

Coach Bob Wuesthoff's frosh dumped the Colts in the only meeting of the two teams this year, 57-48.

Diamondmen Slowed Down With Injuries

The Spartan baseball team's hopes of opening the season with a victory over the Palo Alto Oaks have been dimmed by the injuries of Ron Palma and Jack Richards. Both have pulled leg muscles.

Palma, junior second baseman, and Richards, third baseman who lettered on last year's team as a freshman, probably will be forced to sit out the Saturday contest.

Those scheduled to start the Saturday contest are Cookie Camara, shortstop; Don Visconti, first base; Ralph Cleland, Gene Salvador and Jim Coalter, outfield; Bob Poole, catcher; and John Oldham, Doug Boehner, Ron Kaufmann, and Dick Penrose, pitchers.

The Spartans, under the coaching of Walt Williams, will face a 35-game schedule this year. For the first time in SJS history, UCLA and the University of Southern California are on the slate.

EXECUTIVE OPPORTUNITIES for COLLEGE MEN

Future openings for college graduates in both Mail Order and Retail.

The Mail Order Branch at Oakland will employ young men interested in Merchandising, Administrative Accounting, Industrial Engineering and Production Management.

Retail Store opportunities are available for young men interested in training for Retail Store Management. Applicants will be given preference as to Store location on the West Coast.

Each young man will be carefully selected and given every opportunity for rapid advancement. Opportunity unlimited in either branch of the business.

Primary consideration given to the personal qualifications of the individual — his character, background and potential to develop.

Ask the Placement Office for a booklet entitled "Opportunities At Ward's," for complete information on the size and growth of the company and the wide range of opportunities offered.

Representatives from Ward's branch headquarters at Oakland and their local District Manager will be on the campus March 4 to conduct interviews. Register today at the Placement Office, if interested.

Frosh-Sophs Hold Competition For Mixer Trophy Tomorrow

The class whose members exhibit the most talent for dancing the Charleston, the flea hop or the jitterbug will have an edge on winning the plaque at the Frosh-Soph mixer tomorrow night.

Despite the Charleston, the affair will have a Parisian theme. It will take place in the Student Union from 8 to 11:30 p.m. Freshmen and sophomores will come dressed as Parisians.

The plaque will be awarded on a point system which gives 25 per cent to each of these items: a tug-of-war contest, dancing contests, attendance and entertainment.

To Teach School Two Men Needed At Arizona Ranch

Two men to teach mathematics and social science are needed at the Quarter Circle V Bar Ranch school, located in the Agua Fria river valley in Arizona.

Miss Doris K. Robinson, director of teacher placement, said that a mathematics teacher is needed for algebra, geometry, advanced algebra, trigonometry and solid geometry classes.

A second teacher, preferably a man, is needed to teach social science classes.

One of the two men could be married, and, if possible, it would be advantageous if his wife could teach, and do office work or nursing, Miss Robinson said. One of the men should be able to coach team sports, she added.

It will be possible for the teachers to work a full year with two weeks paid vacation, Miss Robinson explained, or they may work only during the school year, from September to June.

Spring Fashions Discussion Topic

Delta Nu Theta, home economics honorary society, and Eta Epsilon, club for home economics majors, will discuss their spring fashion show when they meet in H-11 tomorrow at 7:30 p.m.

The show will feature fashions designed by Simplicity Pattern company.

Miss Anna Loze, assistant professor of home economics, sponsors Eta Epsilon, and Miss Pauline Lynch, associate professor of home economics, is adviser to Delta Nu Theta.

Ticket Sales Close For WAA Banquet

Today is the last day to purchase tickets for the annual Women's Athletic association banquet to be held Thursday, Feb. 26, at Paradise lodge. Price per person is \$2.50.

Club Displays Colored Bugs

A vari-colored array of butterflies and beetles of all sizes is being displayed in the Science building by the Entomology club.

Ranging in size from the tiny "flat bug" to the five-inch "rhinoceros" beetle, the insects have been gathered from all parts of the world.

From the steaming jungles of South America come the "scarabs." From the green forests of Cameroon, Africa, come the beautiful, multi-colored butterflies.

Also featured in the display is a case showing the various shapes of insects. The exhibit was prepared by Lois Bastion.

Training Camp Plans Brewing

Plans for the Leadership Training camp will be discussed in the Student Union today at 2:30 p.m. Jerry Ball, Student Council representative-at-large and camp organizer, invited all interested persons to attend.

Dean of Men Stanley Benz and AMS President Tom Berrey had suggested that such a camp be formed. Its purpose, Ball explained, would be to unify the campus.

At today's meeting a permanent planning group will be formed to decide where and when the camp will be held, said Ball.

Alum Is Signalman

Pvt. James T. Council, former student of Fullerton high school and the college, is enrolled in a specialized signal-corps course at the Southwestern Signal school, Camp San Luis Obispo, Calif.

Pvt. Council, who broad-jumped for the Spartan track team last year, recently completed his basic training at the same camp. He entered the service Sept. 6, 1952.
